

# Rider Information and Application for Private Lesson Clinic Middletown, Indiana

Presented by Equine Self Expression

## General Information:

- The clinic location is 4495 N County Rd 500 West, Middletown, IN.
- Hotel and Air BnB's are available locally in Anderson Indiana. Other towns close by are Newcastle and Muncie Indiana. Newcastle and Anderson are approximately 15-20 minutes away. Muncie Indiana is approximately 30 minutes away.
- Overnight stabling is available for \$25.00 per night. Stalls are 13x12 and have rubber mats. 3 bags of shaving per stall will be provided. There are 5 stalls available for clinic/overnight participants. Stalls are next to one another, with a grid between the wall and ceiling so horses cannot interact, but can see one another.
- One water bucket per stall will be provided. A feed bucket will also be provided. Three small turnout pastures are available for visiting horses.
- Riding participants must bring their own feed and hay and any additional buckets. Additional hay can be purchased if necessary, as can additional shavings.
- The stalls are situated in front of the indoor arena, under the same roof, so stabled horses will have the view of activity in the indoor arena. Horses must be comfortable in this environment and around other horses and people, as there may be auditor participation so chairs will be set up. They must also be accustomed to an amplified sound system.
- The clinic lessons will take place in the indoor arena. Horses need to be comfortable in an indoor arena. The surface of our arena is the same as the official footing of the FEI World Cup venue, sand and Kruse cushion ride, a 100% recycled fiber-based mix.
- Riders must have a current coggins test for the horses participating and provide a list of immunizations that are current for each horse.

## FORMAT AND SCHEDULE

- The clinic format will consist of 1 horse and 1 rider lesson in a block or 45 minutes to 1 hour, twice a day. A 15 + minute lecture and discussion will take place after each lesson.

- Lesson times will be issued to riders 3 days before the clinic.
- Riders must wear an approved helmet whilst riding. Correct fitting equipment for the horse is necessary.
- Stable rules are applicable to any participants attending clinics at Equine Self Expression locations.
